

## **Election Awareness**

*Voting is an integral part of democracy, and it is necessary for people to have a voice. Everyone has the right to vote, which means that all Indians can vote for the Prime Minister of their choice.*

*As Elections have already commenced in different parts of the nation, it is must that our potential voters should be made aware of its procedure and importance of elections. With the message 'Every vote counts' a special programme was conducted in the school assembly for the students.*
